Student Classic

ISSUE NO. 22 - STRIVING FOR EXCELLENCE IN ACADEMICS • SPORTSMANSHIP • ATHLETICS • JULY - AUGUST 2019

Comments from the CEO

Dick Schlagel, CEO

As a teacher for six years, and school principal for three decades, I would always like to set goals for the new school year.

These goals would focus on my classes, students, schools, staff and my personal goals.

- Goals should be written
- Goals should be obtainable
- Goals should be challenging
- Goals need to be shared with your students, staff, district personnel and parents

As CEO of our AASC, I have made the following goals for the new 2019-2020 school year.

1. Increase our student participation in the AASC from 7,800 students to 10,000 by June 30, 2020.
2. Contact each school district in Tulare and Kings County.
3. Discuss various options with school administrators.
4. Increase the number of schools participating in the 3rd annual McDermont AASC Invitational from 8 to 15.

ALL-AMERICAN STUDENT CLASSIC

All-American Student's Ten Commandments

1. I will report to each event and activity on time, ready to participate.
2. I will listen carefully to the directions of each event.
3. I will display good sportsmanship as I compete in each of my ten events.
4. I will respect each of the judges' decisions.
5. I will read each academic test question carefully, and then answer it to the best of my ability.
6. I will cross barriers and take risks when necessary.
7. I will be grateful for all of my accomplishments and awards that I received.
8. I will continually strive for excellence in each of my five academic tests and each of my five athletic contests.
9. I will thing BIG and aim HIGH.
10. I will never give up.

SPECIAL INTERVIEW

1. What is this All-American Student Classic?

• The All-American Student Classic (AASC) is an event for middle grade students (grades 4-8) featuring academics, sportsmanship and athletics.

"The All-American Student Classic put me on the right track in life...from something fun to do at school, to showing me that I could accomplish thing I set me mind to. I have never been so surprised as when I was announced as the winner in the 8th grade. What a shock! After it, I really started to break out of my introverted shell. One week of 8th grade set me onto a new path in life." -Al Hearne, Jr. Superintendent

President’s Pointers

*Bob Pugh, President
All-American Student Classic*

In the last issue of The Classic Communicator, I challenged each participant competing in their school’s next All-American Student Classic to “Be the Best You Can Be!”

Taking the challenge last June were 134 students who participated in the 2nd Annual All-American Student Classic at the McDermont X Center in Lindsay. All students had fun competing against other students and challenging themselves.

The All-American is the perfect venue to challenge students to step out and see what they really can achieve! As Dr. Hearne, keynote speaker at the All-American Student Classic McDermont X Invitational stated when he was named the 8th grade All-American Student in 1991, “Never in my wildest dreams did I think this could happen. I just went out and did **the best I could.**” And that turned out to be good enough to be **THE BEST!**

“The highlight of my middle school experience was the All-American Competition. Combining athletics and academics made for a competition like non other. It granted the opportunity for any student to medal in one of the events while some students took the motivation to excel in all in order to compete for the coveted All-American Crown”

- Donnie Moore, Leisure Services Superintendent
